beGIN

Welcome to beGIN! Our team has carefully curated a selection of over 100 gins from Scotland and around the world, each chosen for their ingredients, origins and of course, quality. We've hand-picked gins that represent the best of each region, highlighting the unique botanicals used around the world to craft our favourite spirit.

To help you select your drink, we've categorised our gins as: Scottish, classic, citrus, fruity, aromatic, spiced and weird (for those who want to try something a little extra!).

PERFECT SERVE

Our gin menu prices are for a Perfect Serve, including a 50ml serving of your selected gin, with the perfectly paired mixer and garnish, served in a large, round, Spanish copa glass filled with ice to keep your drink perfectly chilled.
